

# The Hand of My "Presence"

Melody: *The Bells of St. Mary's* by A. Emmett Adams

The Hand of My "Presence" is held now in mine,  
 The Hand of My "Presence" makes all things Divine,  
 The Hand of My "Presence" points all now on high,  
 The Hand of My "Presence" holds all—you and I.

## CHORUS

The Hand of My "Presence" fills me with Its Great Light,  
 The Hand of My "Presence" makes me dazzling bright,  
 The Hand of My "Presence" projects forth Its Flame,  
 The Hand of My "Presence" writes now Thy Great Name!

The Hand of My "Presence" heals all man's distress,  
 The Hand of My "Presence" gives all—nothing less!  
 The Hand of My "Presence" wields Power and Love,  
 The Hand of My "Presence" holds mine from above.

## CHORUS

The Hand of My "Presence" makes music and sweet song,  
 The Hand of My "Presence" holds mine all day long,  
 The Hand of My "Presence" fills my Heart with Peace,  
 The Hand of My "Presence" makes all discord cease.

## 2<sup>ND</sup> CHORUS

The Hand of My "Presence" gives me all Its Power,  
 The Hand of My "Presence" does all every hour,  
 The Hand of My "Presence" sends forth Its Great Rays,  
 The Hand of My "Presence" holds my hand always.
